

We are delighted to say that PS 295 is part of the Fairway Community Partner Program. By participating in the program, **3% of any purchases you make in the store or online will go to PS 295.**

How it works:

1. Request a PS 295 branded card from Sergio Borrero, Parent Coordinator, Dan Janzen, PTA President, or Gina Caroddo, PTA member gcaroddo@gmail.com Each card comes with 2 keychain cards and one wallet-size card. Any of these cards can be given to another member of your household or **even to another family member or friend in a different household.**
2. As with any other "points" card, **present the card to the teller *before* paying.** You will not be able to use your purchase to benefit PS 295 if you present it after payment.
3. **Instacart delivers for Fairway Market to Brooklyn**--neighborhoods are not specified on the Instacart page but please do try! 11215 did work.
<https://www.instacart.com/store/fairway-market/#signup> Be sure to provide the number on the back of the card below the barcode to the person receiving the order. Google Express may not deliver to Brooklyn.
4. Check the receipt - it should have PS295 printed on the top.
5. The card is accepted at **all Fairway locations.**

That's it. We encourage all families, teachers and staff to pick up the card and begin shopping right away. ***The sooner you use your card, the sooner we receive quarterly checks for 3% back.***
